## ECONOMIC DEVELOPMENT—STRATEGIC VISION

Our aim is to diversify the economic growth of the community in such a way that we achieve a resilient economic tax base, strong employment options for the next generation, and attain population growth to 5000.

DEVELOPMENT

## Arena

Everyone knows the arena is the place to be in the winter months. Figure skaters and minor hockey enthusiasts, aspiring Bulldogs, and parents who were once kids, remember, and cherish memories made on and around the ice.

Adult recreation, old-timer leagues, family and public skate opportunities keep the dream and the passion alive.

Many remember exactly where they learned to skate, when, and with whom.

The Multiplex will make memories, for generations.

## THE FUTURE Fox Creek Recreation Centre

\* Whirlpool \* Lane Pool \* Sauna \* Lazy River \* Wading Pool \* Steam Room \* Host a swimming party \* Leisure Pool \* Learn to swim \* Spacious dressing area \*

### Aquatic Centre

Tied with the arena, the indoor pool is arguably the most anticipated and popular addition to the Fox Creek health and wellness community.

The outdoor pool served the community admirably for decades. Well-loved and well-used, the pool was the primary go-to facility during the our short summer season. Wear, tear, and out-dated equipment rendered the pool inoperable, disappointing many on far too many occasions in recent years.

This indoor facility will welcome swimmers year-round and provide more amenity delights than the retired outdoor pool and its creators ever envisioned.

We are grateful for all the years of enjoyment it provided and, at the same time, we welcome the new whirlpool, length lanes, sauna, wading pool, and lazy river features.

13,000 square feet \* Spectator seating \* Four team dressing rooms \*

## Field House

The field house is a new addition to the Fox Creek amenities list.

Until now, soccer, floor hockey, basketball, badminton, wiffle ball and volleyball were confined to the outdoors and were seasonally limited. The indoor field house changes all that.

Year-round leagues, drop-in-and-kick-the-ball-around recreational opportunities, as well as competition hosting, will now be possible for all our favourite field sports.

## Running Track
