

Arne Vaadeland Volunteer of the Year Award 2018

Arne Vaadeland was a long-standing resident in Fox Creek since 1972. He was married to Margaret and together they raised 4 children.

Arne was coerced into joining the Community Services Board in October of 1994 when we asked for representation from the seniors.

He served on the board until his passing in March of 1996. He brought to the board his wisdom and knowledge.

He had a smile and a grin that would melt the hearts of those who knew him.

He was always one that we could count on for community events to lend a hand as well as his lifelong experiences gave our board a balance and quite often a different perspective.

We wanted to honor Arne and what he stood for in the community by presenting a Volunteer of the Year Award in his memory.
